

<h1>Geography</h1>		Autumn	Spring	Summer
Reception		<p>Tydd- Where do I live? This Is Our House- Michael Rosen <ul style="list-style-type: none"> • Tydd St Mary, Lincolnshire, England, • Finding locations on maps, • planning a route around the village Where's Wally?- Is everywhere like Tydd? The Ghanian Goldilocks- Dr. Tamara Pizzoli <ul style="list-style-type: none"> • A contrasting locality- Accra, Ghana, West Africa, • Use of maps & globes to locate place, • comparing to TSM- earthquakes, city vs village, food culture, </p>	<p>Angry Planet- How can we help animals in need? Oi! Get Off Our Train- John Burningham <ul style="list-style-type: none"> • Endangered animals and the impact people are having on the places where they live Rainforests- Where do Toucans live? Rainforest Romp- Tony Mitton <ul style="list-style-type: none"> • A contrasting locality- rainforest, Brazil, South America, • Locate on map/globe, • compare habitats, </p>	<p>Changes- Why isn't it always sunny? Weather series- Sam Usher <ul style="list-style-type: none"> • Different kinds of weather, • how does the weather happen, • weather around the world, Holidays- What can you do at the seaside? The Snail and the Whale- Julia Donaldson <ul style="list-style-type: none"> • Locating seaside places on a map, • differing coasts- the marsh & the beach </p>
Year 1 & 2	Year A	<p>Discovery <u>Locational knowledge-</u> 7 continents, 5 oceans <ul style="list-style-type: none"> • Know the names of and locate the seven continents of the world. • Know the names of and locate the five oceans of the world <u>Geographical skills-</u> world maps, atlases and globe</p> <p>Where's Wally? <u>Locational knowledge-</u> Countries/ capitals UK <ul style="list-style-type: none"> • Know the names of the four countries that make up the UK and name the three main seas that surround the UK • Know the name of and locate the four capital cities of England, Wales, Scotland and Northern Ireland • Know which is the hottest and coldest season in the UK. </p>	<p>Rainforests <u>Place Knowledge-</u> Non-European country <u>Human and Physical Geography-</u> Hot & Cold/ Equator, Vegetation <ul style="list-style-type: none"> • Know features of hot and cold places in the world. • Know where the equator, North Pole and South Pole are on a globe </p>	<p>Treasure <u>Human and Physical Geography-</u> physical features- coast, sea, marsh <u>Geographical skills and fieldwork-</u> devise simple maps. Observational skills local study, Compass directions, locational and directional language <ul style="list-style-type: none"> • Identify the following physical features: mountain, lake, island, valley, river, cliff, forest and beach • Know which is N, E, S and W on a compass • Know and use the terminologies: left and right; below, next to </p>

		<u>Geographical skills</u> - world map, atlases and globe, aerial photographs		
Year B	Tydd <u>Locational knowledge</u> - 7 continents, 5 oceans. Countries/capitals UK <ul style="list-style-type: none">• Know the names of the four countries that make up the UK and name the three main seas that surround the UK• Know the name of and locate the four capital cities of England, Wales, Scotland and Northern Ireland• Know their address, including postcode• Explain some of the advantages and disadvantages of living in a city or village. <u>Place Knowledge</u> - UK <ul style="list-style-type: none">• Know the main differences between city, town and village <u>Human and Physical Geography</u> - human features <u>Geographical skills and fieldwork</u> - aerial photographs. Observational skills local study. Compass directions, locational and directional language <ul style="list-style-type: none">• Know which is N, E, S and W on a compass• Know and use the terminologies: left and right; below, next to	Angry planet <u>Locational knowledge</u> - 7 continents, 5 oceans <ul style="list-style-type: none">• Know the names of and locate the seven continents of the world.• Know the names of and locate the five oceans of the world• Know where the equator, North Pole and South Pole are on a globe• Know what causes an earthquake• Label the different parts of a volcano <u>Human and Physical Geography</u> - Weather, physical features <ul style="list-style-type: none">• Know and recognise main weather symbols <u>Geographical skills</u> - world map, atlases and globe	Changes <u>Human and Physical Geography</u> - Seasonal and daily weather <ul style="list-style-type: none">• Know which is the hottest and coldest season in the UK.• Know and recognise main weather symbols Holidays <u>Place Knowledge</u> - Compare UK to Non- European <u>Geographical skills</u> - world map, atlases and globe <ul style="list-style-type: none">• Know the main differences between a place in England and that of a small place in a non-European country	
Year 3 & 4	Year A	Discovery <u>Human and Physical Geography</u> - Settlements (to include locational knowledge) <ul style="list-style-type: none">• Know why most cities are located by a river Where's Wally? <u>Locational knowledge</u> - Europe	Rainforests <u>Human and Physical Geography</u> - Biomes and vegetation belts <ul style="list-style-type: none">• Know where the equator, Tropic of Cancer, Tropic of Capricorn and the Greenwich Meridian are on a world map• Know what is meant by the term 'tropics'	Olympics <u>Locational knowledge</u> World's Countries <u>Place Knowledge</u> - Greece <ul style="list-style-type: none">• Know the names of and locate at least eight European countries• Know the names of and locate at least eight major capital cities across the world

		<p><u>Geographical skills</u> world map, atlases, globe and computer mapping</p> <ul style="list-style-type: none"> • Know the names of and locate at least eight European countries • Know the names of and locate at least eight counties and at least six cities in England • Know the names of four countries from the southern and four from the northern hemisphere • Know the names of and locate at least eight major capital cities across the world • Use maps to locate European countries and capitals 		
Year B	<p>Tydd</p> <p><u>Locational knowledge-</u> National Trust- counties and cities of UK</p> <p><u>Geographical skills and fieldwork</u> Compass (4), four figure grid reference</p> <ul style="list-style-type: none"> • Know the names of and locate at least eight counties and at least six cities in England • Know and name the eight points of a compass <p>Farming</p> <p><u>Human and Physical Geography-</u> Land use, economic activity/trade and food</p> <ul style="list-style-type: none"> • Know how to plan a journey within the UK, using a road map • Know why industrial areas and ports are important 	<p>Angry planet</p> <p><u>Human and Physical Geography-</u> Volcanoes and earthquakes. Equator, latitude, longitude, hemispheres, tropics</p> <ul style="list-style-type: none"> • Know where the main mountain regions are in the UK • Know where the equator, Tropic of Cancer, Tropic of Capricorn and the Greenwich Meridian are on a world map 	<p>Changes</p> <p><u>Human and Physical Geography-</u> Water Cycle</p> <ul style="list-style-type: none"> • Explain the features of a water cycle <p>Holidays</p> <p><u>Locational knowledge/ Place Knowledge</u> Coastal regions of UK and a European Country</p> <ul style="list-style-type: none"> • Know at least five differences between living in the UK and a Mediterranean country • Know how to plan a journey within the UK, using a road map <p><u>Geographical skills</u> Ordnance Survey maps, atlases, digital maps</p>	
Year 5 & 6	Year A	<p>Where's Wally?</p> <p><u>Locational knowledge-</u> North and South America. Equator, latitude, longitude, hemispheres, tropics</p> <p><u>Place Knowledge</u> Everest</p>	<p>Planes, trains and Automobiles</p> <p><u>Locational knowledge-</u> Land use, distribution of RAF bases</p> <ul style="list-style-type: none"> • Know about distributions of RAF bases within the locality 	<p>Treasure</p> <p><u>Human and Physical Geography-</u> River Nile</p> <ul style="list-style-type: none"> • Know why most cities are located by a river

	<p><u>Human and Physical Geography</u>- Mountains</p> <p><u>Geographical skills</u> world map, atlases, globe and computer mapping</p> <ul style="list-style-type: none"> • Know the names of a number of the world's highest mountains • Know what is meant by the term 'tropics' • Use maps and globes to locate the equator, the Tropics of Cancer and Capricorn and the Greenwich Meridian 	<p>Rainforests</p> <p><u>Locational knowledge</u>- Equator, latitude, longitude, hemispheres, tropics</p> <p><u>Human and Physical Geography</u>- Climatic regions.</p> <ul style="list-style-type: none"> • Know about time zones and work out differences • Know what is meant by biomes and what are the features of a specific biome • Label layers of a rainforest and know what deforestation is 	<ul style="list-style-type: none"> • Know and label the main features of a river • Know the name of and locate a number of the world's longest rivers • Know the names of and locate some of the world's deserts • Use Google Earth to locate a country or place of interest and to follow the journey of rivers, etc <p>Olympics</p> <p><u>Locational knowledge</u>- World Countries/ major cities</p> <p><u>Place Knowledge</u> Host nation place study</p> <ul style="list-style-type: none"> • Know the names of and locate at least eight South American/ North American/ African countries • Know the names of and locate at least eight major capital cities across the world
Year B	<p>Tydd</p> <p><u>Locational knowledge</u> Counties and cities of UK, geographical regions and land use</p> <p><u>Geographical skills and fieldwork</u> world map, atlases, globe, digital mapping and ordinance survey maps. Compass (8), six figure grid reference. Fieldwork to observe, measure, record and present human and physical features in local area</p> <ul style="list-style-type: none"> • Know what most of the ordnance survey symbols stand for • Know how to use six-figure grid references 	<p>Angry planet</p> <p><u>Locational knowledge</u></p> <p>Deforestation and coastal erosion</p> <ul style="list-style-type: none"> • Know what deforestation is • Know how to use graphs to record features such as temperature or rainfall across the world <p><u>Place knowledge</u> Brazil</p>	<p>Holidays</p> <p><u>Locational knowledge</u> 7 wonders of the world-natural and manmade</p> <ul style="list-style-type: none"> • Know the names of a number of European capitals • Know the names of, and locate, a number of South or North American countries <p><u>Place Knowledge</u> place study</p> <ul style="list-style-type: none"> • Know key differences between living in the UK and in a country in either North or South America <p><u>Geographical skills</u> maps, atlases, globes to describe features studied in location</p>
